Cover Letter

Dear Hiring Manager,

I am writing to express my interest in a Front End Developer position at your esteemed organization. As a recent graduate with a Bachelor of Computer Science from *Dr. Babasaheb Ambedkar University* and a certified **Front End Developer** through *Skillhub* Classes, I am enthusiastic about applying my knowledge and passion for web development in a dynamic and challenging environment.

During my time as an **Online Sales Executive** and **Junior Accountant** at *Eureka Star Purification Devices Trading LLC*, I developed a strong foundation in customer service, data management, and digital marketing. I successfully created and boosted templates for social media platforms such as Facebook, Instagram, and WhatsApp, showcasing my creativity and understanding of front-end design principles.

My technical skill set includes proficiency in HTML, CSS, JavaScript, GitHub, and WIX, as well as experience with SASS and MS-CIT. I am fluent in English, Hindi, and Marathi, which allows me to communicate effectively in diverse team settings.

I am currently on a visit visa in the UAE and eager to join a team where I can contribute to impactful projects and grow professionally. I am confident that my educational background, practical experience, and dedication make me a strong candidate for this role.

Thank you for considering my application. I would welcome the opportunity to further discuss how I can contribute to your team. I am available for an interview at your convenience and look forward to your response.

Sincerely,
Sanket Khule
